Lifeshare Limited

Looking To Volunteer This Christmas?

Lifeshare is a charity that has supported vulnerable and marginalized people in Manchester since 1984. We do not promote any religious or political beliefs, and we welcome people from all walks of life.

Every Christmas, from 23-29 December, we host a Drop-in Service from 8am-8pm where we provide food, clothing, toiletries, medical attention, entertainment and company for anyone in need.

We are currently recruiting friendly, positive volunteers who are happy to work in a kitchen, serve food, distribute clothing, or simply share a chat with service users over a cup of tea.

If you are aged 18-75 and interested in this rewarding and enjoyable opportunity, please visit our website where you will find more information and an application form.

Applications must be in by 30 November at the latest.
